

PAMPYERED PALADINS

OATH OF OBEDIENCE

A Paladin who takes the Oath of Obedience has sworn to be a bastion of good behavior, a protector of the rules, and a firm but fair arbiter of justice. These Paladins believe that order, discipline, and respect for authority are the cornerstones of a safe and happy society. They are the ultimate “goody-two-shoes,” but their dedication is backed by divine power, making them formidable foes of chaos and mischief.

TENETS OF OBEDIENCE

- **Follow the Rules.** Uphold just laws and the codes of your order. Be an example for others to follow.
- **Share Nicely.** Be generous to those in need. Protect the innocent and stand up for those who cannot stand up for themselves.
- **Listen to Your Elders.** Respect the wisdom of those with more experience. Show deference to righteous authority.
- **Correct Misbehavior.** Do not suffer rulebreakers, bullies, or troublemakers to go unpunished. Guide them back to the proper path, with force if necessary.
